

PROJECT LOCATION

Charlotte, NC

DATE OF ACTIVATION

March 2016

CORE USE CASE

Providing a space where employees can come together to learn and collaborate in a relaxed environment.

SOFTWARE

- ThinkHub
 - Interactive Canvas
 - Web Browser
 - Notes + Sketches
 - Wireless Device Sharing
- TIV Custom Software
 - Custom Software with interactive information on Compass Group history, daily cafeteria options, nutritional values, and more.

HARDWARE

- 3 panel Interactive Wall
 - 3 x 55" touchscreen
 - Networked computer
 - Single, continuous glass pane overlay
 - 60" tall x 88" wide
- 55" Interactive Wall
 - 55" touchscreen
 - Networked Computer
 - 29.5" tall x 50" wide

The Interactive Wall transforms the cafeteria into a collaboration hub where employees can share ideas while building a sense of comradery.
